

METAXCHANGE AI®, INC.

April 15, 2025

Press Release:

FORT LAUDERDALE, FL. USA / April 15, 2025

Announcing METAXCHANGE's NASDAQ listing with the NPM.

NPM announced the sign-up of METAXCHANGE.AI, INC., to enroll and provide the ability to buy/sell the company's shares and serve its stakeholders.

METAXCHANGE.AI, INC. has signed up for the Nasdaq Private Market to enroll and provide the ability to buy and sell the company's shares. Its stakeholders and investors can obtain online access via <https://nasdaqprivatemarket.com>. We will also announce an assigned NASDAQ officer to assist METAXCHANGE.AI INC. stockholders.

About METAXCHANGE AI, INC.

METAXCHANGE AI, INC. provides a Digital Media Hub for Brands and Distribution. The platforms are a Real-Time virtual space founded on a Data Clean Room (DCR) that allows subsidiaries and brands to confidently serve target customers with digital media rooms powered with integrated video streams, watch parties, and AI-integrated, human-sponsored Avatars as a service. About NASDAQ PRIVATE MARKET

Nasdaq Private Market operates a proprietary secondary trading marketplace and acts as a premier liquidity provider for private company trading and transactions. Through innovative technology and an experienced capital markets team, NPM supports the needs of corporate, institutional, and retail clients. Founded in 2013, the company provides solutions for private companies throughout each stage of their pre-IPO lifecycle. NPM facilitates private company stock transactions and programs, including tender offers, auctions, block trades, company-directed windows of liquidity, and pre-direct listing continuous trading. Through actionable data, advanced trading technology, and patent-pending transfer and settlement tools, NPM supports the needs of market participants, including employees, investors, banks, and brokers across the private company stock trading continuum.
